May 18, 2004

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

ALLOCATION OF THE WORKFORCE INVESTMENT ACT (WIA) FOSTER YOUTH SPECIAL NEEDS PROGRAM FUNDING (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Authorize the Director of Community and Senior Services (CSS), or designee, to allocate \$270,000 in Workforce Investment Act (WIA) Youth carry-over funds to the three (3) agencies listed in Attachment A, and to negotiate and execute contracts in substantially similar form as Attachment B, after County Counsel approval as to form, with the three (3) agencies listed in Attachment A, in the amounts indicated, for the provision of WIA youth services to emancipating foster youth, effective the date of Board approval or June 1, 2004, whichever is later, through May 31, 2005. The WIA Foster Youth Special Needs Program is 100% reimbursed by federal funding through the State WIA Youth allocation, and the contract costs are fully financed using WIA Youth funding.
- 2. Authorize the Director of CSS, or designee, to execute contract amendments in substantially similar form to Attachment C, to increase or decrease the amounts based on contractor performance or time extension provided that (a) the amount of change does not exceed 15% of the original contract amount; (b) approval of County Counsel and the Chief Administrative Office (CAO) is obtained prior to any such amendment; and (c) the Director of CSS confirms in writing to the Board of Supervisors and the CAO within 30 days after execution that such amendments have been executed. This action assures full expenditure of funds and is consistent with the Board's policy requiring review of contractor performance.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

On September 30, 2003, the Board of Supervisors approved the allocation of Fiscal Year 2003-04 Foster Youth Independent Living Skills Enhancement Program Funds to provide services to emancipating and emancipated foster youth within the County. The Independent Living Program (ILP) Design Team identified a need to redesign the Skills Enhancement Program for foster youth. CSS developed an RFP, incorporating a new design that emphasized performance outcomes, job readiness and employment. Upon completion of the RFP process, an analysis revealed gaps in services to the targeted population, especially those residing in Supervisorial Districts 1 and 3. The gaps are: (1) services to pregnant and parenting foster youth; (2) work experience opportunities for foster youth; and, (3) strengthening linkages with the foster care service provider community, as well as with WIA WorkSource Centers and/or Youth Centers.

CSS developed a Request for Proposals (RFP) that addressed the identified gaps in service resulting from the previous RFP process, targeting Supervisorial Districts 1 and 3. WIA Youth funding was identified, and the appropriate WIA Youth outcomes have been built into the design. The WIA Foster Youth Special Needs Program will build upon the ILP Skills Enhancement Program, and will take advantage of the newly established infrastructure for the referral of eligible youth. Additionally, the State JTA system will be incorporated into the new program, to assist the WIA Youth Centers with case management and follow-up of the foster youth.

On April 8, 2004, the Workforce Investment Board and Youth Council approved a one-time only allocation of \$300,000 in WIA Youth carry-over funds, of which \$30,000 is for CSS administration, and \$270,000 is to fund the agencies on Attachment A, for the operation of the Foster Youth Special Needs Program.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the County Strategic Plan by ensuring access to employment services.

The Honorable Board of Supervisors May 18, 2004 Page 3 of 4

Performance Measures

Performance standards have been selected in consideration of the County's Performance Counts! Initiative. Among the performance measures contractors are required to track are the following: (1) Percentage of youth obtaining unsubsidized employment, and, (2) Percentage of youth completing skill attainment

FISCAL IMPACT/FINANCING

The WIA Foster Youth Special Needs Program is 100% reimbursed by federal funding through the State WIA Youth allocation, and the contract costs are fully financed using WIA Youth funding.

The cost of the recommended actions totals \$300,000. Budgeted categories are as follows:

| FUNDING CATEGORIES | BUDGETED AMOUNT |
|--------------------|-----------------|
| Program Services | \$270,000 |
| CSS Administration | \$ 30,000 |
| TOTAL | \$300,000 |

There is no impact on the County General Fund. Funding is included in the Departments Fiscal Year (FY) 03-04 Adopted Budget, and FY 04-05 Proposed Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County of Los Angeles has been designated by the State as a Workforce Investment Area for the purpose of administering WIA. The administration of this program meets the County's responsibility to the State to ensure workforce investment programs are provided in the Los Angeles County Workforce Investment Area.

In accordance with Title IV E, Independent Living Initiative, and the Chafee Foster Care Independence Act, the intent of this program is to prepare emancipating and emancipated foster youth for employment. The WIA Foster Youth Special Needs Program will emphasize employment readiness and skills related to actual job situations, and will incorporate work experience and viable linkages to local employers, especially employers indicating a willingness to hire youth.

The Honorable Board of Supervisors May 18, 2004 Page 4 of 4

CONTRACTING PROCESS

Thirteen (13) proposals were received by the deadline of February 9, 2004, representing a total funding request of over \$2.3 million. The Department is recommending three (3) for funding for the period through May 31, 2005. Proposals were reviewed and scored by teams of CSS staff representing expertise in various program areas, using a rating instrument that incorporated input from the Auditor-Controller's Office. A Minority/Vendor Survey is included as Attachment D.

Monitoring

Beginning with FY 2003-04, CSS will contract with the Auditor-Controller's office to conduct fiscal and contract compliance monitoring of all of its contractors within the Employment and Training Branch. The Auditor-Controller, utilizing their Master Agreement list, procures a contractor to conduct the on-site and follow-up visits. CSS is responsible for ensuring through its resolution process, that the monitoring findings reported are resolved, training is provided to our contractors, if necessary, and that program policies are developed.

IMPACT ON CURRENT SERVICES(OR PROJECTS)

The WIA Foster Youth Special Needs Program will address the gaps in services to foster youth in Supervisorial Districts 1 and 3 by: (1) targeting pregnant and parenting youth; (2) providing work experience opportunities, and, (3) strengthening the linkages within the foster care community, such as the CSS ILP Skills Enhancement Centers. We are confident that the selected agencies will successfully meet the program outcomes and help these youth move toward independence.

Respectfully submitted,

Cynthia D. Banks Chief Deputy
